Music/Kindness Curriculum

Music/Kindness Curriculum The main focus of this year's program is on Mindfulness, Music, and Movement in order to promote Cognitive, Emotional, Social, Physical, and Moral Development. This year we implemented “The Kindness Curriculum for Preschoolers”, which is a research based curriculum that was created by the Center for Healthy Minds(founder-Richard Davidson) at UW Madison. Children 3 years and up are currently on lesson 10(I Can Notice Things When I'm Quiet On The Inside).

Of the 24 lesson curriculum, specific information from each week's lesson plan can be found on the bulletin board in the hallway between the sink and breakroom. Also, please keep an eye out in lunch boxes for several letters that accompany certain lessons in order to help understand the lessons and ways to work on it at home with your child. We cannot stress enough the importance of your continued participation at home so you can plant the seeds of kindness and compassion in your child. In addition to the Kindness curriculum all children (Infants and up) at Greenway are receiving bi-weekly Music classes where they get the opportunity to play instruments, sing/listen to songs and dance in order to promote learning in all domains of development. Lastly and most importantly Music at Greenway Crossing Montessori is designed to provide both students and teachers with a greater sense of Joy and emotional well-being.

Comments, any questions and/or concerns please talk to Mr. Santana

Healthy Snacks, Breakfast & Lunch

If you have noticed, we have been doing some remodeling to our kitchen. The purpose for this is so we can start offering these meals to the children. We will be participating in the WI State Child Food Program, as long as we follow the nutritional guidelines established by this program we get reimbursed for each of the meals offered.

Imagine not having to think of what to have ready each morning for your child.

Watch in your mailboxes, your child's lunch box/backpack for the forms they require you to complete.
